OUR PRODUCT CARE INSTRUCTIONS

- Our products are hygienic, stain-resistant and easy to clean.
- Hand-washing is the best way to clean acrylic and polycarbonate products although they are dishwasher safe.
- In the dishwasher, use the top rack only on low, normal or regular cycles, as higher temperatures will cause cracks.
- Any hot foods can be served in Acrylic and Polycarbonate tableware. It is also safe to use in microwave ovens, but only for reheating and warming.
- Avoid using scouring and abrasive cleaning methods.
- Clean with mild detergents only. Do not clean with solvent or caustic.
- Our products are resistant to cold temperatures.
- Acrylic & Polycarbonate products cannot be used in conventional ovens.

THE ADVANTAGES OF OUR PRODUCT RANGES

- Stylish
- Elegant
- Hygienic
- Affordable
- Mirror finish
- Stackable
- Microwave friendly
- Dishwasher safe
- Stains resistant
- Scratching resistant
- Manufactured in South Africa
